WORK EXPERIENCE

Royal Court of Underland

Wonderland

Master Milliner

1870 - 1885

- Designed and crafted over 85+ elaborate hats for the White Queen and her court, integrating hidden compartments, mood-shifting fabrics, and biscuit storage.
- Boosted wearer confidence during ceremonial events by 37% through innovative hat designs.
- Reduced preparation time for royal events by 25% with streamlined hat fitting and customization processes.

Resistance Against the Red Queen

Underground Hideout, Wonderland

Rebel Hat Engineer

1875 - 1880

- Outfitted 50+ rebel leaders with covert hat designs featuring disguised communication devices.
- Enhanced survival rates during operations by 15% through jam-powered, functionality-optimized headgear.
- Improved on-the-go hat repair efficiency by 20%, ensuring consistent availability in high-stakes scenarios.

Freelance Millinery and Tea Coordination

Crooked Cottage, Marmoreal

Master Milliner and Tea-Party Host

1885 - Present

- Delivered 450+ unique custom hats tailored for diverse clients, including white rabbits, eccentric caterpillars, and spontaneous tea guests.
- Coordinated over 200 unforgettable tea parties, achieving 95% attendee satisfaction via synchronized teacup choreography.
- Reduced lateness at tea parties by 30% through emergency headwear kits equipped with integrated timepieces.

EDUCATION

Tea Time Academy of Millinery Arts

Underland

Advanced Hat Design and Unlicensed Invention

1865 - 1870
